

LARRY SORENSEN

Every lifesaving blood donor receives a **health screening** at their donation, finds out their **blood type**, and is being **tested for COVID-19 antibodies** to help our state health department understand the virus and identify more convalescent plasma donors.

MEMORIAL BLOOD DRIVE

Blood is the most precious gift that anyone can give - it is the gift of life. Blood and blood products have a limited shelf life, making it a constant need. Join LifeServe Blood Center to celebrate the life of Larry Sorensen by giving back to your community.

Faith United Methodist Church - Fellowship Hall
Friday, November 13th
1:30pm - 6:30pm
